Dear [REDACTED]

February 2016

You did your bit in a Christmas knit!

Thank you so much to everyone at Redborne School for taking part in Text Santa Christmas Jumper Day and raising a fantastic total of £304.05.

Although you've packed away your Christmas jumpers, you can still feel warm and fuzzy in the knowledge that you've helped raise a grand total of over £11 million so far – and the money is still coming in!

All the money that you helped raise will be used by Macmillan Cancer Support, Make-A-Wish® UK and Save the Children, to give hope to families in difficulty. Your amazing efforts will help fund nurses so people with cancer can get the support they need, grant wishes to enrich the lives of children and young people fighting life-threatening conditions and save children's lives – you're making a life-changing difference to thousands of families, both here in the UK and abroad.

Our partner charities couldn't continue this work without the incredible support of people like you. You can find out more about how your fundraising will make a difference and read the stories of people helped by the charities at textsanta.co.uk.

As an official thank you from Text Santa HQ we've enclosed a certificate to mark your fantastic fundraising efforts, for you to display with pride.

If you have made other donations and the amount shown on your certificate doesn't look right, then you can request a new one by contacting HQ@itvtextsanta.com or by calling **0808 100 1232**.

Thank you again for your support.

Warm wishes,

The team at Text Santa HQ
