

Directory of SLEs – Redborne Teaching School Alliance

Name	Kathryn Juty
School	Redborne Upper School
Current role(s)	<p>Biology Subject Leader</p> <p>Specialist Leader of Education for Redborne Training School Alliance</p> <p>Associate Facilitator for STEM learning</p> <p>Course Coordinator for Entry Level Science</p>
Phase	Secondary
Specialism	GCSE and A level Biology, KS4 Science, Mentoring and Coaching, Teaching and Learning, Curriculum provision, Entry Level Science.
Areas of expertise	<p>Subject knowledge: I am passionate about my subject, and have a PhD in Neuroscience as well as my BSc and PGCE. I consider myself to be a life-long learner, continuing to improve my subject knowledge through regular research and wider reading. I bring these examples into SoW and my lessons wherever possible, as well as sharing with colleagues both formally and informally .</p> <p>Curriculum provision: I have an excellent understanding of curriculum provision, and how to design and construct SoW to</p>

	<p>meet the demands of the specification, and to implement new courses.</p> <p>Exam skills: I have knowledge of revision techniques and exam skills based solidly in research and experience, which I am able to convey to students, to boost their performance, and to my colleagues, to allow them to apply them in their teaching. I have extended this to helping students from my own and other schools with mock university interviews.</p>
<p>Examples of expertise</p>	<ul style="list-style-type: none"> ● Coordinator for INSET training on curriculum review. ● Running CPD for TAs on supporting in practical science lessons. ● Facilitating STEM sessions on GCSE biology basics for non-specialists. ● Setting up and running courses new to the school. ● Studying examiners reports and using the ideas in subject meetings, to improve SoW and share with students. ● Acted as a Lead Learner in school delivering CPD and training to colleagues at all levels of experience and from all different subject areas. ● Mentor to PGCE students, and helped with the summer intern scheme. ● Mock university interviews at my own and other schools.
