ACKNOWLEDGEMENTS

Thank you for supporting our concert this evening, we hope you enjoy seeing the range of music on offer at Redborne. There is a huge team of people working behind the scenes to make an event like tonight happen, so thanks are due to:

- The music department: Mr Price and Miss Hermann plus the supporting team of peripatetic teachers, in particular those who have organised and led groups for tonight's concert: Mr Howard, Mrs Perry, Miss Bottone, Mrs Jaggers and Mr Router.
- Alameda music department: Mrs Shackleton and Mr Hoare who have worked to rehearse the students and bring them to the rehearsal and concert this week.
- The adults with connections to Redborne who have supported the concert by performing with our ensembles.
- Friends of Redborne Music who have helped with refreshments, photography and tickets, supported by members of the school senior leadership team.
- The finance team and Mrs Haxell for their support publicising the concert and arranging ticket sales.
- The site agents for their consistent support with large events.
- The student sound and lighting teams who have ensured that you can see and hear everything, putting in hours of work before and after the concert to prepare for an event of this scale.

Our next concert is the Jazz Café on Thursday 2 May. Tickets will be on Wisepay very soon - we hope to see you there!
