Through the study of dance your child will be expected to develop the following knowledge, skills and understanding:

### Performance & Choreography

- Demonstrating competence in physical, technical, expressive and mental skills in performance
- Safe working practices (in process and during performances)
- Understand action, space, dynamic and relationship content, choreographic processes and structuring devices and how these contribute to successful compositions.

### Appreciation

- Critically analyse, interpret, reflect and evaluate their own work in performance and choreography
- Demonstrate their knowledge and understanding of 6 professional dance 'Anthology' works in the GCSE Dance Anthology.

Parents can support their child by ensuring that their child attends rehearsals and practices their exam pieces. Encouragement to partake in extra curricular dance classes ie all years dance club/dance company and the Redborne Dance Showcase and supporting their performances. Encouraging regular revisiting of the 6 anthology set works and in class material to support their revision and consolidating.
